BIBLE READ-THROUGH YEAR READING PLAN

Below is the **Year Reading Plan** through the books of **Romans and Genesis**. The goal of this plan is not simply complete the books, but to comprehend and understand the text. For a deeper experience, we encourage you to journal through this journey. Below we have provided a Bible study guide using the **"ABIDE" study method**:

PRAYER - Start your time of bible reading by inviting in the Holy Spirit. Ask Him to reveal His wisdom and heart as He guides you through the text.

CONTEXT - Before diving into a book of the Bible, it's important to have a general understanding of the historical and cultural context. Start by asking a few framing questions: **1.** Who wrote the book? **2.** Who was the book written to? **3.** Why was the book written?

OBSERVATION - List main observations from the passage (ie. key phrases, repeating phrases or concepts, lists, comparisons and contrasts, commands, or unknown words)

INTERPRETATION - What is the overall theme or purpose of the passage? (**tools** - use a Bible commentary; what is this passage communicating, how does this relate in the Gospel story?)

APPLICATION - What practical way can I apply the theme of this passage to my life? (**ask yourself** - what did I learn about God from this passage? Is there an area in my life that I need to take action in as prompted through this passage?)
